Design changes at Discovery Park and the L.L.Bean retail campus, together with greater exhibitor interest in the event will mean the creation of a new booth location layout for the 11th Annual Fall in the Village Art Festival.

Please note: Returning exhibitors will be given priority to reserve the same or similar space as last year. **Possible design changes and improvement activity at the Festival location, as mentioned above, may require changes to the numbering or placement of your display area location.** Adjustments may effect the location but not the quality of your display area.

For the first time ever-this year we are including a Live Art aspect! The work will be displayed and auctioned at 4:00 pm.
