

A special advertising feature available to the merchants of Freeport

Whether you wish to attract large or small groups, get a higher return on your marketing investment with our specialized publications and website – [New England Group Travel Planner](http://www.grouptravelplanner.net), www.grouptravelplanner.net and www.jumpontrips.com.

We market our websites and publication extensively to the professional and non professional group travel planner. Our print planner is the resource for group friendly suppliers, destinations and events. Our websites are targeted to the planners through targeted marketing through Transcontinental's 4 million internet users, web banners on tourism sites, and monthly e-newsletters

Promote your business in an area coop as a destination for groups of all sizes with an affordable, full colour display advertisement...
